

# Application Note #130:

## Summary of Recommended Suppliers

### INTRODUCTION

The purpose of this application note is to summarize the recommend suppliers appearing in various Cermetek publications. These suppliers are listed as a service to our customers. Inclusion in this list shall not be interpreted as an endorsement, or as a guarantee of performance. It is the sole responsibility of the user to ensure that the supplier complies with all applicable industry and governmental regulatory requirements and that the products offered by the supplier meet intended performance requirements. Cermetek strongly advises users to thoroughly evaluate products purchased to ensure correct and proper operation in each specific application.
